Dear business representatives,

We have gladly received your business proposal. After reading through your executive summary, we would like to invite you to our headquarters at Spielberg to give you the opportunity to present your proposal in front of the board members of our company. The information you handed in was convincing to a certain degree. Going through your financial numbers, the costs of logistics was not fully understandable. Therefore, we kindly ask you to elaborate on the wholesome costs of your logistics operations, and include transportation costs from your suppliers all to your customers.

With hopefully having clearly stated our expectations, we are looking forward to seeing you on the 30th of July in Austria.

Your's sincerely Ognjen Radisic
General Manager Business Development
