

Dear business representatives,

We have gladly received your business proposal. After evaluating the presentation of your business figures, we would like to invite you to our headquarters at Spielberg to give you the opportunity to present your proposal in front of the board members of our company.

The information you handed in was very convincing, but to fully understand the financial risks of the endeavor, we kindly ask you to elaborate more on the following topic:

Due to current events, the cost of energy will increase by approximately 35% over the next 14 months. This increase impacts nearly all aspects of your business. Please list those and offer a brief preview on how this change will impact your business case.

Please provide the relevant information for our meeting at the Red Bull ring. With hopefully having clearly stated our expectations, we are looking forward to see you on the 26th of July in Austria.

Kind Regards
