

Dear business representatives,

We have received your business proposal. After evaluating your business pitch video, we would like to invite you to our headquarters at Spielberg to give you the opportunity to present your proposal in front of the board members of our company.

The information you handed in was very convincing, but to fully understand the financial risks of our potential investment, we kindly ask you to elaborate on the following topic:

To have a better insight in your company's profitability, please break down your current runway and show how our investment would affect it. Please take your assets as well as your average monthly burn into consideration.

We invite you to present the requested information as part of your business plan presentation, during our meeting at the Red Bull ring. We are looking forward to meeting you on the 23rd of July in Austria.

Kind Regards
