

EVACUATION PLAN FOR FIRE IN BUILDING

GENERAL

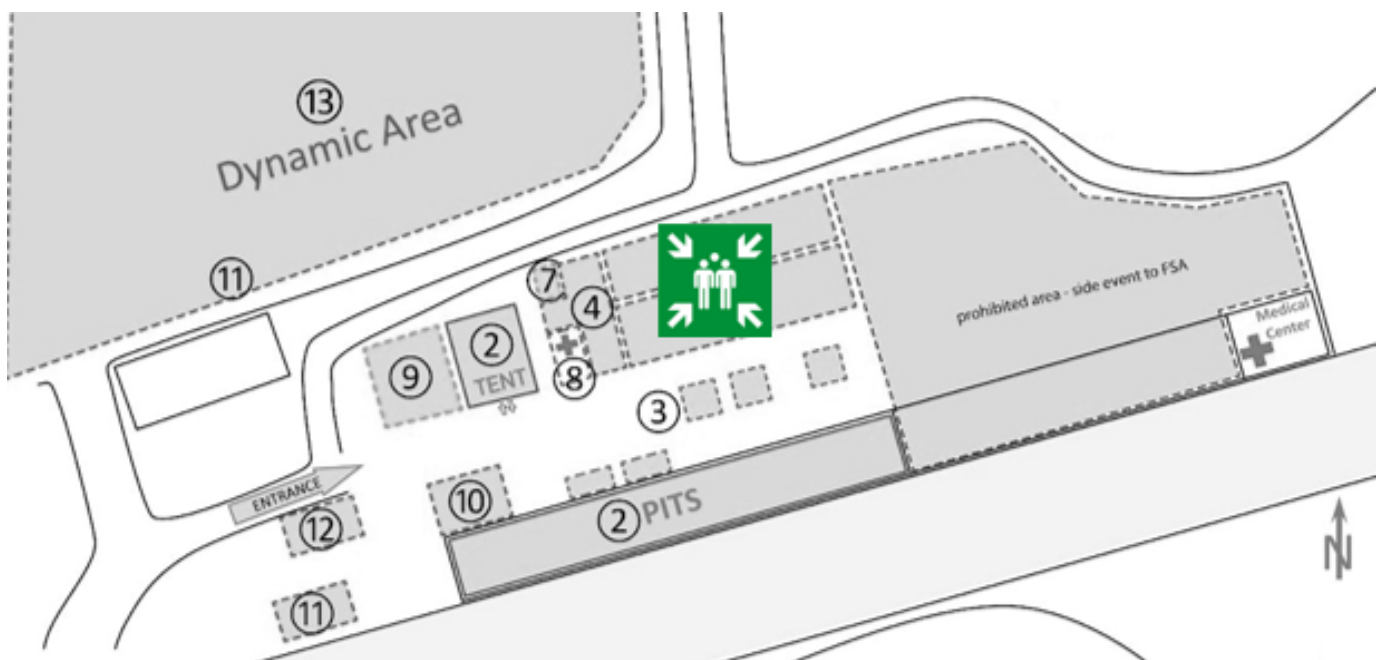

In case of a fire in building follow these points

- 1.) alert following numbers
 - a.) 112 - emergency number
 - b.) Inform Helpdesk or FSA Staff member
- 2.) Attempt to extinguish (if possible)
- 3.) leave building to following collecting points

We will keep you informed via **Slack** and through **loudspeaker/megaphone** announcements. Please **follow the instructions of the FSA officials** and take it seriously.

1. RED BULL RING

- Evacuate to the brake / practise Area

2. CAMPSITE

If there is a fire at the campsite (e.g eventtent, shower buildings etc.) go to these areas where a lot of free space is available

- silent camping area
- opposite of main street L544
