

A faded background image showing a group of people on a stage. Some individuals are standing and clapping, while others are seated. A large screen in the background displays a group photo. The overall scene suggests an awards ceremony or a group celebration.

EDAG **AI** **INNOVATION** **AWARD 25**

TAKE PART & WIN UP TO 2.000 €

EDAG GROUP as sponsor at FSA 2025

As one of the world's largest independent engineering service provider, EDAG Group is - for the fourth time in a row - **sponsoring a special award during Formula Student Austria.**

This year, the EDAG AI Innovation Award will be presented to three teams.

Winner

€ 2.000

1st runner-up

€ 1.000

2nd runner-up

€ 500

YOUR WORK WHAT DO WE WANT TO SEE?

Reflect on which areas of your vehicle development the use of AI is currently or potentially beneficial in the future.

- What specific effects (e.g., efficiency, quality, performance, innovation) do you expect from the use of AI?
- What types of AI methods (e.g., machine learning, neural networks, decision trees, reinforcement learning etc.) would you use for this?
- What data sources and technical requirements would be necessary?
- How would you integrate the use of AI into your project from an organizational and technical perspective?

Optional: Are there already any initial implementations or pilot projects within your team?

YOUR PARTICIPATION HOW TO TAKE PART?

- ✓ Any team **registered for Formula Student Austria 2025** can take part.

Please send your application as a **single A3 page** or as a **PowerPoint presentation consisting up to 5 slides** in PDF format to specialaward@edag.com by **23:59 on July 13, 2025**.

Your way to winning the EDAG AI Innovation Award

- The **three finalists will be selected** by the EDAG jury by **July 22, 2025**, and **announced on the same day** on site at FSA 2025.
- The **finale** to determine the winner will begin on **July 23, 2025**. Here, you will have to **convince our EDAG jury with a 10-minute presentation** of your idea, preferably on the vehicle itself, as well as during a subsequent **Q&A session**. The presentation will take place on site at the EDAG booth.
