

# MUBEA CARBO TECH AWARD

## „Best use of Composite“

### QUALIFICATION CRITERIA:

Submission of a PDF document, max. eight pages of DIN A4 with pictures (min. font size 12) in which the fiber reinforced plastic composite applications of your vehicle are described.

- Three out of the eight pages should describe the **highlight component** within this field.
- Filename: "CAR\_### MCT-Award 2024"
- Submission deadline is **July 3<sup>rd</sup>, 2024**
- Submission to [personal.sbg@mubea.com](mailto:personal.sbg@mubea.com)

### ASSESSMENT CRITERIA:

- Submitted document
- Highlight component
- Usage of engineering tools
- Complexity → FRP specific design
- Testing
- Production quality (for finalists only)
- Presentation and discussion on site (for finalists only); 25 min (similar to design event)

**The best three teams will get a trophy, a personalized tour in our Headquarter in Salzburg and a cash prize.**

**1<sup>st</sup> EUR 1,500.00**

**2<sup>nd</sup> EUR 750.00**

**3<sup>rd</sup> EUR 500.00**

From the submission a jury, consisting of former Formula Student team members, will pick the most promising ones and nominate up to 10 finalists within 2 weeks of submission. Up to four team members of each finalist will then have the chance to present their composite applications on Wednesday, July 24<sup>th</sup> to the jury on site. Nomination of the presenting team members (name, position, e-mail, mobile phone number) until July 20<sup>th</sup> is required.
